WHAT TO EXPECT:

Applications are available only at Admin Office (triplicate). An application will need to be completed for each child for which you are applying. Once the application is completed, a staff member will review the form to ensure it has been completed properly and that all required documents have been provided. We will make every effort to notify you by May 1 of your open enrollment status (with the exception of Kindergarten applicants who will be notified mid to late summer). Acceptance is first-come, first-serve and is based on class size with special consideration given to families who already have children enrolled in the district. If your child is not accepted on May 1, your child's name will be put on our waiting list. Please note that open enrollment will remain open until August and additional openings may become available over the summer.

ADDITIONAL INFORMATION:

**** Parents/Guardians are responsible for transporting their Open Enrolled child(ren) to and from their Norton school building(s). ****
Once your child is accepted, you will NOT need to reapply yearly; however, open enrollment may be discontinued at the discretion of Administration in subsequent years.

Please notify the Enrollment Office or your child's school office secretary of any change of address immediately. You must complete a new OE application and provide 2 PORs if you move, even if new address is within the same city.
