

Norton City Schools Participation Fee Guidelines

(Please read all information carefully)

The Norton City Schools' Board of Education instituted a participation fee effective August 1, 2018 for athletics, clubs and co-curricular activities in grades 5-12 that are supported by stipends for the sponsor. This information sheet provides details for the entire district.

The purpose of this fee is to offset the expenses the BOE incurs while providing comprehensive athletic programs, clubs and co-curricular activities.

Please make check or money order payable to Norton City Schools (*note student name on Memo*).

Please note: there is no payment plan or scholarship assistance available.

1. The following activities listed on Page 3 of this document will require a fee of \$100, \$50 or \$25. Please note: There is a \$350 maximum per family.
 - It is the family's responsibility to notify the district when the family maximum has been reached.
 - Please also know that those families on free and reduced lunch are not exempt from participation fees.
 - If a check is returned for non-sufficient funds (NSF), the participant will be removed from the activity and will not be permitted to rejoin until a cash payment is made that covers the expense of the activity, as well as any fees charged by the bank for processing the NSF check.
2. All participation fees can be paid in three (3) ways:
 - In person with Registration Form, check or cash to Norton City Schools Central Office located at 4128 Cleveland-Massillon Road.
