

Norton City Schools

RESOLUTION

Motion by _____, and seconded by _____ to adopt the following resolution:

A resolution has been passed on this date by the Norton City Schools supporting the district Waiver Requests for Professional Development for March 28, 2013. These days will be used to provide training for the district's professional staff in the following areas:

Our district requests a waiver for March 28, 2013. We propose to use this day to train all teaching staff on Student Growth Measures. The staff will receive an introduction on Student Learning Objectives and write an S.L.O. in a collaborative group. This is in response to the recommendation by the Ohio Department of Education that all teachers write an S.L.O. by May of 2013.
