HOW TO APPLY:

On Tuesday, March 2, at 6AM Norton City Schools will begin our open enrollment application process for Fall 2021. Starting that day, you may access application link via our website at www.nortonschools.org. Click on **QUICK LINKS** at the top right corner of page, then click on **Enrollment/Forms/Supply Lists**. At the top of that page you will find the 21/22 Open Enrollment Application link. Please complete a separate application for each child for which you are applying. Acceptance is first-come, first-serve and is based on class size with special consideration given to families who already have children enrolled in the district. If you are applying for more than one child, your first submitted application will hold place on list for entire family **if applications are submitted same day**. Once you complete filling out all entry points, your application will be time and date stamped.

*****This process is smart-phone and computer friendly. If you do not have a smart phone or computer access, please contact us.*****

If your child has an IEP/ETR or 504, you will be asked to provide that documentation for review at a later date.

ONCE YOUR CHILD IS ACCEPTED FOR OPEN ENROLLMENT:

We will make every effort to notify applicant's parents/guardians by May 1 of acceptance status with the exception of Special Education and Kindergarten applicants. *(Please keep in mind that special education applications will take longer to review. Norton resident Kindergarten enrollment numbers must be finalized before we will be able to begin accepting OE applicants.)*

Once notified of acceptance you will set up a parent account in Final Forms via link on our website in order to complete the official student enrollment process. All required registration documents will be uploaded into Final Forms at this time.

Please refrain from enrolling your child(ren) in Final Forms until AFTER you are notified of acceptance.
