TO: ALL PARENTS/GUARDIAN:

Welcome back to the Norton City Schools Lunch and Breakfast Program for the 2023-2024 school year. Our Food Service Department is made up of a team of food and nutrition professionals that are dedicated to student's health, well-being and their ability to learn. We will be serving healthy choices of fruits, vegetables, whole grain products and low fat or fat-free milk every day.

The lunch prices for the 2023/2024 school year are as follows:

Norton Elementary and Primary	\$3.00
High School and Middle School	\$3.25
Breakfast in all Buildings	\$2.00

If your child would like to buy any A la carte item or additional milk, we encourage you to look into PaySchools Central that provides all parents in our district an easy way to manage their child's lunch account. This can all be done in the convenience of your own home through an easy-to-use online portal: www.payschoolscentral.com or via a convenient mobile app.

Logging onto PaySchools Central, you will be able to deposit money at your convenience, check your child's balance and other features. You need only create one account to manage all members of your family. Once the money is deposited, it will typically appear in your child's account in **24 hours**.

If you choose not to use PaySchools Central for credit card transactions, the district continues to accept cash and checks at each school cafeteria. Do not combine lunch money with other school fees on the same check or money order. We do not give change back for any checks that are sent for school lunches.
