

**ADMISSION STUDENTS
FROM NON-CHARTERED OR HOME SCHOOLING**

Students seeking admission into the District's schools who have been enrolled in non-chartered schools or home schooling programs may be required to take competency examinations. The purpose of these examinations is to determine the proper grade placement for these students.

In making a placement decision, the Superintendent may consider:

1. the student's most recent annual academic assessment report;
2. whether to require the student to take any or all of the nationally normed, standardized achievement tests that are regularly scheduled for District students of similar age and
3. other evaluation information that may include interviews with the student and the parent.
4. all home instruction classes will be marked as a P and are not counted in the student's grade point calculations.

Resident students attending a non-chartered nonpublic school are permitted to participate in the District's extracurricular activities at the school to which the student would be assigned if the non-chartered nonpublic school the student is enrolled in does not offer the extracurricular activity. Students must be of the appropriate age and grade level as determined by the Superintendent and must fulfill the same academic, nonacademic and financial requirements as any other participant.

Resident students receiving home instruction in accordance with State law are permitted to participate in District extracurricular activities at the school to which the student would be assigned. Students must be of the appropriate age and grade level as determined by the Superintendent and must fulfill the same academic, nonacademic and financial requirements as any other participant.

Home-schooled students must be enrolled in the District for a minimum of 21 credits towards graduation in order to be selected as valedictorian or salutatorian for graduation purposes.
