

University of Mount Union Boys Basketball Team Camps 2022

June 4th and 5th (SUNDAY-MONDAY)

Grades 7, 8, AND 9TH

We look forward to our 7th annual team camp at Mount Union. We have tried like crazy this year to go around baseball and think we have accomplished it! We have had great competition throughout the week. You can mix and match different grades to provide enough competition and playing time for each school. If you have any questions, please feel free to call.

Outstanding Facilities

All games are played in the air-conditioned MAAC Building on the Mount Union University campus. The gyms include 6 full courts. Players also have access to the Olympic size swimming pool at night.

The residence hall used for camp is new and one of the finest on campus. It is located only 100 yards from the MAAC. Each school's coaches will stay in the same dormitory area as their teams. The campus dining hall is air-conditioned and is located across Campus.

Team Camp Schedule

Each team plays a total of ten games. Games consist of two-16 minute halves using running time until the last minute of both halves. Although five (6) game courts are available, each division will have only ten (12) teams. Teams in one division alternate game times with the other division. NO team sits out more than one game period (45 minutes). This camp setup provides for the absolute minimal time possible to be out of game action.
