

GRADUATION REQUIREMENTS

The Board desires that its standards for graduation meet or exceed the minimum standards of the Ohio Department of Education (ODE) as well as State law and, further, that our high school compares favorably with other high schools in the state that are recognized for excellence.

The requirements for graduation from high school are as follows.

<u>District Minimum</u>		<u>Statutory Graduation Requirements</u>	
English Language Arts	4 units	English Language Arts	4 units
History and government, including one-half unit of American History and one-half unit of American Government	1 unit	History and government, including one-half unit of American History and one-half unit of American Government	1 unit
Social Studies *	2 units	Social Studies *	2 units
Science, with inquiry-based lab experience, including one unit each in Physical Science and Life Sciences and one unit in Chemistry, Physics or other physical science, Advanced Biology or other life science, Astronomy, Physical Geology or other earth or space science	3 units	Science, with inquiry-based lab experience, including one unit each in Physical Science and Life Sciences and one unit in Chemistry, Physics or other physical science, Advanced Biology or other life science, Astronomy, Physical Geology or other earth or space science	3 units
Math, including one unit of Algebra II or its equivalent **	4 units	Math, including one unit of Algebra II or its equivalent **	4 units
Health	½ unit	Health	½ unit
Physical Education	½ unit	Physical Education	½ unit
Electives ***	<u>5 units</u>	Electives ***	<u>5 units</u>
Total	20 units	Total	20 units
****Ambassador Program	10 Hours		

The statutory graduation requirements also include:

1. * students entering ninth grade for the first time on or after July 1, 2017 must take at least one-half unit of instruction in the study of world history and civilizations “as part of the required social studies units”;
2. ** students entering ninth grade for the first time on or after July 1, 2015 who are pursuing a career-technical instructional track may complete a career-based pathway math course approved by ODE as an alternative to Algebra II;
3. *** student electives of any one or combination of the following: foreign language, fine arts (must complete two semesters in any of grades 7-12 unless following a career-technical pathway), business, career-technical education, family and consumer sciences, technology, agricultural education or additional English language arts, math, science or social studies courses not otherwise required under the statutory graduation requirements;
4. units earned in social studies shall be integrated with economics and financial literacy and
5. meeting the applicable competency/assessment and/or readiness criteria required by law based on date of entry into ninth grade.

****Student Ambassador Program

As a requirement for graduation, students must execute community services as described in the “Norton High School Student Ambassador Program”.

Summer School

Summer school credits are accepted toward graduation, provided that administrative approval has been given prior to registration for the course.

Educational Options

High school credit is awarded to students who successfully complete Board-approved educational options that count toward the graduation requirements and subject area requirements.

College Credit Plus and Postsecondary Enrollment Options

Credit is awarded for courses successfully completed at an accredited postsecondary institution. High school credit awarded for a course successfully completed under College Credit Plus, or where applicable the former Postsecondary Enrollment Options Program, counts toward the graduation requirements and subject area requirements of the District. If a course comparable to the course successfully completed is offered by the District, then comparable credit for the

completed equivalent course is awarded. If no comparable course is offered, the District grants to the student an appropriate number of credits in a similar subject area.

2 of 4

Correspondence Courses

High school courses offered through correspondence courses are accepted for credit toward graduation only when they meet the following criteria.

1. Credits earned in correspondence schools directly affiliated with state universities are evaluated by the school administration for students who wish to qualify for graduation from high school.
2. Credits earned from correspondence schools not directly affiliated with an accredited college or university may not be applied toward graduation.
3. Credits earned from schools that have been established primarily for correspondence study, rather than an institution primarily for residence study, are not accepted toward graduation.

Course Work Prior to Ninth Grade

Student work successfully completed prior to the ninth grade is applied towards graduation credit if the course is taught by a teacher holding a license valid for teaching high school and is designated by the Board as meeting the high school curriculum requirements.

Physical Education Exemption

A student who, during high school, has participated in interscholastic athletics, marching band or cheerleading for at least two full seasons is not required to complete any physical education courses as a condition to graduate. However, the student is required to complete one-half unit, consisting of at least 60 hours of instruction, in another course of study.

Beginning in the 2019-2020 school year, a student who during high school, has participated in show choir for at least two full seasons is not required to complete any physical education courses as a condition to graduate. However, the student is required to complete one-half unit, consisting of at least 60 hours of instruction, in another course of study.

Junior Reserve Officer Training Corps (JROTC) Exemption

A student who has participated in JROTC for at least two full school years is not required to complete any physical education courses as a condition to graduate. In addition, the academic credit received from participating in JROTC may be used to satisfy the one-half unit of Physical Education and completion of another course is not necessary for graduation.

Community Service

The District offers community service education, which acquaints students with the history and importance of volunteer service and with a wide range of existing community needs. Community service opportunities may be considered an elective towards graduation.

NOTE: Although the minimum requirements for graduation are listed in the policy as 20 units of credit, boards are permitted to require more than 20 units in order for its students to graduate from high school and should edit this policy accordingly. District requirements should be reflected in the district minimum column.

Senate Bill (SB) 311, passed in 2006, permits boards to adopt a policy that excuses from high school physical education those students who have participated in interscholastic athletics, cheerleading or marching band for at least two full seasons. However, excused (exempted) students must complete one-half unit of at least 60 hours of instruction in another course of study in order to graduate from high school. House Bill (HB) 166 (2019) added show choir to the list of approved activities noted above.

HB 166 also added language to Ohio Revised Code 3313.603 stating that if a district requires a foreign language as an additional graduation requirement, a student may apply one unit of instruction in computer coding to satisfy one unit of

foreign language. If more than one unit of computer coding is used to satisfy the foreign language requirement, the courses must be sequential and progressively more difficult.

HB 290, passed in 2009, adds participation in Junior Reserve Officer Training Corps (JROTC) programs approved by the United States Congress to the list of permitted electives within the Ohio Core curriculum. Boards may also excuse (exempt) participating students from high school physical education courses if participation in JROTC is for at least two full years.

In addition, under HB 290, boards are permitted to grant high school credit for two full years of participation in JROTC without the student having to take another course of study in order to graduate from high school.

Based on the date of entry into the ninth grade, students are subject to different assessment/competency and readiness criteria for graduation. Districts should be familiar with these criteria and the different pathways available under the law and utilize resources provided by the Ohio Department of Education.

HB 166 requires boards to develop local graduation seals. Each board is required to develop guidelines for at least one of the locally defined seals listed below:

- ***Community service seal. A student shall meet the requirement for this seal by completing a community service project that is aligned with guidelines adopted by the student's district board or school governing authority.***
- ***Fine and performing arts seal. A student shall meet the requirement for this seal by demonstrating skill in the fine or performing arts according to an evaluation that is aligned with guidelines adopted by the student's district board or school governing authority.***
- ***Student engagement seal. A student shall meet the requirement for this seal by participating in extracurricular activities such as athletics, clubs, or student government to a meaningful extent, as determined by guidelines adopted by the student's district board or school governing authority.***

These seals can be integrated into the manual as a regulation IKF-R, Graduation Requirements (Local Seals).
