

PUBLIC CONDUCT ON DISTRICT PROPERTY

All persons on District grounds are expected to abide by all applicable laws, local ordinances, Board policies and District and building regulations.

No person on District property may assault, strike, threaten, menace or use improper, indecent or obscene language toward a teacher, instructor, other District employees or students at any time. This prohibition is extended to all athletic officials, coaches and athletes in the District and all visiting teams.

Unless otherwise permitted by law, no person is permitted to bring deadly weapons or dangerous ordnances into a school safety zone.

No person may disrupt, disturb or interfere with the teaching of any class of students or any other activity conducted in a school building or upon the campus or grounds at any time.

Whoever violates this policy and/or building regulations will be asked to leave the property by whoever is in charge. Should that person refuse, law enforcement officials will be called. If the offender should be a student, the person in charge should report the student to the appropriate principal. The administration cooperates in any prosecution pursuant to the criminal laws of the state and local ordinances.

Good Conduct and Sportsmanship

The Board recognizes the value of cocurricular and extracurricular activities in the educational process and the values that young people develop when they have the opportunity to participate in an organized activity outside of the classroom.

Students and adults participating in cocurricular and extracurricular activities are expected to demonstrate responsible behavior and good conduct. The Board encourages the development and promotion of sportsmanship in all phases of the educational process, including athletics and all other cocurricular and extracurricular activities. Rules are posted at the entryways to all athletic events for all participants and spectators to review.

All employees and senior citizens (Golden Buckeye Card) of the Norton City Schools will be admitted free to extracurricular activities.

NOTE: Ohio Revised Code Section (RC) 3313.20(A) grants all school districts the authority to “make any rules necessary for the government of all persons entering upon school grounds or premises.” These rules must “be posted conspicuously at or near the entrance to the school grounds or premises or near the perimeter of the school grounds or premises, if there are no formal entrances, and at the main entrance to each school building.”

Because of the unsportsmanlike behavior exhibited by some spectators, districts may want to implement specific rules and regulations for spectators. Rules and regulations should include offenses and consequences for violations.

Ohio’s concealed carry gun laws enable an individual with a valid concealed-carry license or temporary emergency license who is either a driver or passenger in a motor vehicle in a school safety zone to have a loaded handgun if one of the following applies: (1) the loaded handgun is in a holster on the person’s person; (2) the loaded handgun is in a closed case, bag, box or other container that is in plain sight and that has a lid, cover or closing mechanism with a zipper, snap or buckle, which lid, cover or closing mechanism must be opened for a person to gain access to the handgun; or (3) the loaded handgun is securely encased by being stored in a closed glove compartment or vehicle console or in a case that is locked.

Senate Bill 199 revisions to RC 2923.122, effective March 19, 2017, now allow a person who has a valid concealed handgun license to leave the firearm in a motor vehicle while in a school safety zone, so long as the vehicle is locked.
