Grades and Reporting

Grades

There are two semesters and four grading quarters (two per semester) during the school year. Standard based report cards for students in Kindergarten are compiled and distributed at the end of each semester. Assessment of student work is determined by the individual teacher as outlined by district guidelines for grading and reporting. District guidelines for grade and reporting can be viewed on our district website at <http://www.nortonschools.org/GradingReporting.aspx>.

Homework

Often it will be necessary to complete assignments at home. Homework needs to be completed and returned as assigned by the teacher. Homework is an integral part of the learning process. It not only provides an opportunity for students to practice skills learned at school, but also it helps prepare students for success on assessments (tests, quizzes, projects, etc.).

School Safety

Safety Drills

In accordance with State law, the school will conduct various safety drills throughout the school year. These drills include, but are not limited to: fire, tornado, lockdown, rapid dismissal, etc. Specific instructions on how to proceed during a drill will be provided to the students by their teachers.

School Closing

In the event of a school closing or delay, accurate information will be made available to parents and staff members through the School Messenger phone calling system (to the phone number(s) provided at the beginning of the school year), the district website and social media, and the following television and radio stations: WKYC TV 3, WEWS TV 5, FOX TV 8, WUAB TV 19, WAKR 1590 AM, WKDD 98.1 FM, WNIR 100.1 FM, WQMX 94.9 FM, WMMS 100.7 FM, and ohio.com. These stations are notified as soon as the decision is made.

Personal Electronic Devices

Personal Electronic Devices

Kindergarten students should not have any personal devices brought to school (such as cell phones, iphone watches, handheld games etc.). The school/district will not be responsible for lost, stolen, or broken items.

School Attendance

Attendance

Regular school attendance is required by law for any minor child under the age of eighteen. Good attendance is encouraged, as it is closely related to academic achievement and a positive attitude towards school.

Communication between the home and school is essential to ensure the proper exchange of information regarding academic attendance and progress of students.

- It is the student's responsibility to attend class.
- It is the parent's responsibility to send their student to school and report the student's absence from school.
- It is the school's responsibility to provide a quality education and promote punctuality and good attendance habits.

As mandated by House Bill 410, student absences are recorded in hours. Therefore, the following absence definitions are significant regarding student attendance.

- **Excused Absence or Tardy**—ORC 3321.04 indicates the following are considered excused absences. (Note: Students who sign in between 9:05 a.m. and 10:00 a.m. are considered tardy.)
 - Personal illness
 - Illness in the family
 - Quarantine of the home
 - Vacation
 - Death of a relative (limited to 3 school days)
 - Observance of a religious holiday
 - Professional appointment with written verification from a physician, dentist, or court official. (There is a two-hour maximum for excused appointments.)
 - School-sponsored or sanctioned activities approved by the school administration
 - Emergency circumstances which in the judgment of the school or district administration constitute a good and sufficient cause for absence from school
 - Other situations as determined by the school administration
- **Unexcused Absence or Tardy**—ORC 3321.04 indicates the following list are examples of absences considered to be unexcused. (Note: Students who sign in between 9:05 a.m. and 10:00 a.m. are considered tardy.)
 - Oversleeping
 - Car trouble, traffic conditions, etc.
 - Missing the bus
 - Parent does not contact the school within one school day of student absence
 - Other situations as determined by the school administration
- **Excessively Absent**—ORC 3321.191(C)(1) defines a student as excessively absent when a student is absent with or without legitimate excuse from school under one of the following two scenarios:
 - Absent thirty-eight (38) hours in one school month
 - Absent sixty-five (65) hours in a school year
 - Once a student reaches an Excessively Absent threshold, written notification is mailed to the parent/guardian. **All absences, regardless of the reason, are considered unexcused unless written documentation is provided by a medical provider or court professional.**
- **Habitually Truant**— ORC 2151.011(B)(18) defines a student as habitually truant when a student is absent without legitimate excuse from school under one of the following three scenarios:
 - Absent thirty or more (30+) consecutive hours
 - Absent forty-two or more (42+) hours in one school month
 - Absent seventy-two or more (72+) hours in one school year

Reporting Absences

- **Attendance Hotline**—All absences must be reported by calling the Attendance Hotline 330-706-2760 prior to 10:25 a.m. To be in compliance with Senate Bill 321, the “Missing Child Law,” the school will contact the parents/guardians of children who are marked as an unexcused absence from school. It is our intent to ensure the safety of the child through such contact.
- **Late Arrivals**—Students arriving after 9:05 a.m. must report to the office with the parent/guardian to sign in. Late arrivals should enter the main entrance through door 1A.
- **Early Dismissal**—A written note signed by the parent/guardian is required if the child is being dismissed during the school day. Parents/guardians will report to the office and provide proper identification to sign out the student. Students will only be released through the office.
- **Medical/Dental Absences**—Parents/guardians are urged to make medical/dental appointments for students outside of school hours. If an appointment is made during the day, written verification from the physician or dentist must be provided to the school.
- **Vacations**—The school does not encourage the practice of taking students out of school for family vacations; however, the school recognizes that certain circumstances make this necessary. Vacation requests during the school year must be approved by the building principal. Parents must present the request in the form of a letter or email noting dates of absence and return date to school. All requests must be made five (5) school days prior to the anticipated absence.

Student Health & School Health Services

Clinic

Medical personnel (Health Aide, CMA, LPN, or RN) are available throughout the school day. Medical personnel can provide basic first aid, will administer medications, and will complete/oversee vision and hearing screenings. The district nurse will supervise all medical personnel.

Illness

If a child is ill, please keep the child at home. Should a condition persist, consult your physician. Children with a fever of 100° or higher, have vomited or had diarrhea within 24 hours, have an undiagnosed rash, have an eye infection, have active head lice or nits a quarter inch from the scalp, or have been in the hospital/ER should remain home until the symptoms have cleared for 24 hours without medication or are released by the attending physician. If a child becomes ill or injured at school, the school nurse will contact the parent/guardian. If the need arises, parents will be contacted according to the Emergency Medical Authorization Form on file and asked to pick up their child.

Medications

For students who require medication to be dispensed at school, the following policy is in effect:

- Medication shall not be carried, stored, or self-administered by the student.
- Both Board of Education Policy and State law require a signed *Medication Administration Record Form* on file before any medication can be disbursed at school. Both parent and prescribing physician signatures are required for prescription and/or over-the-counter medications.
- All medications, prescriptions or OTC, must be in their original containers with original labeling and must be transported to/from the school clinic by the parents/guardians of the student.
- Students shall not carry inhalers, epi-pens or diabetic supplies unless the student has an *Asthma, Allergic Reaction, Seizure, or Diabetic Action Plan Form* completed by the prescribing physician on file with the school, for the current school year.
- All forms listed above are available in the clinic or online at www.nortonschools.org, under PARENTS, then FORMS.
- Students possessing medication not registered will be subject to disciplinary actions appropriate for drug and alcohol violations. No student is allowed to provide or sell any type of over-the-counter

medication to another student. Violation of this rule will be considered violations of the Drug Prevention Policy and of the Student Code of Conduct.

Screenings

This school year, vision and hearing screenings will be completed for students in Kindergarten. These are state mandated screenings. Vision or hearing screenings will be completed for new students and may also be done as a result of a school staff or parent/guardian referral in any grade. Any parent/guardian who wishes to exempt their child from the screenings must contact the District Nurse, Tina Longworth.

The Ohio Revised Code (3313.67) requires that the following immunizations be obtained for school enrollment. Students who do not have the required immunizations will be excluded from school per Ohio State Law until such record is provided. Use of School Property

Lockers and Desks

Students will not place stickers, writing, or etchings either inside or outside of lockers/desks. Spirit signs, posters, etc., must have prior approval from the school administration before being posted on lockers. The Norton Board of Education or its designees (school administrators) reserve the right to search the lockers, desks, person, and personal belongings of a student on school grounds or at any school activity when it is reasonably necessary for the maintenance of order, discipline, and safety.

Technology

Students use technology tools to complete research, practice skills, and create projects. The use of technology is governed by the Board-approved Acceptable Use Policy. Students and parents/guardians must sign the agreement before the student may use any school technology. The policy outlines acceptable uses, responsibilities, and consequences for misuse. Copies are available in the school office or online (www.nortonschools.org, under PARENTS, then FORMS).

Textbooks

Students are asked to care for the textbooks/curriculum materials for which they are assigned during the school year. Students will be assessed fines for lost or damaged textbooks.

Student Code of Conduct

Student Rights and Responsibilities

Students attend Norton City Schools under the direction of state law and with the full benefits of constitutional protection for their rights as citizens. They, therefore, can act, speak, or behave as young citizens within a large scope of options. This code published in conformity with the Ohio Revised Code specifies the school's expectations. Students have a right to just treatment from the school and its employees. The school in turn has a right to expect positive behavior from students. Each school administrator is authorized to develop those rules and regulations necessary to the operation of each building which are not included in the system wide rules and regulations.

The following rules apply to student behavior or conduct at school, on school property, on school buses, and during attendance at any school-related activity or event. Conduct which causes or may cause disruption or interference with any school function or may interfere with the health, safety, well-being or rights of other students or staff members is prohibited.

Teaching personnel are responsible for managing student behavior and discipline problems that occur within their scope of responsibility. Teachers may call on other school personnel to assist them in discharging these responsibilities. Teachers may refer students to the building administration who is then responsible for determining further disciplinary action. Referrals may be made to the appropriate law enforcement agency in regard to suspected criminal offenses.

An administrator may deal with student misconduct in a variety of ways, including but not limited to counseling, parent involvement, detention, referral to school or other support personnel, loss of privileges, in-school suspension, out-of-school suspension, and recommendation for expulsion. Students are not permitted on school grounds or in the school buildings, and cannot attend any school functions during the suspension. Students receiving out-of-school suspension are expected to make up missed schoolwork. If the student submits work of passing quality the day she/he returns, the student's class average will not be affected. If the work is not of passing quality or not submitted upon return, zeros (0) will be assigned. The student and/or parent are responsible for obtaining and returning all assignments.
- **Expulsion**—This remediation will exclude a student from Norton Primary for up to 80 academic days. This disciplinary action is a decision of the Superintendent of Schools or his/her designee. Students may submit make-up work for teacher review but will not receive any academic credit (zeros assigned for all work).

Student Hazing Policy

Hazing activities of any type are inconsistent with and disruptive to the educational process and prohibited at any time in school facilities, on school property, and/or off school property if the misconduct is connected to activities or incidents that have occurred on school property. No administrator, faculty member, or other Board of Education employee shall encourage, permit, authorize, condone, or tolerate any hazing activities. No student shall plan, encourage, or engage in any hazing.

Hazing is defined as performing any act or coercing another, including the victim, to perform any act of initiation into any class, team, or organization that causes or creates a substantial risk of causing mental or physical harm. Permission, consent, or assumption of risk by an individual subjected to hazing shall not lessen the prohibitions contained in this policy.

Administrators, faculty members, and other employees of the Board shall be alerted to possible situations, circumstances, or events that might include hazing. If hazing or planned hazing is discovered, the students involved shall be informed by the discoverer of the prohibitions contained in this policy and shall be ordered to be reported immediately to the Superintendent. Students, administrators, faculty members, and other employees who fail to abide by this policy may be subject to disciplinary action and may be held personally liable for civil and criminal penalties in accordance with law.

The Superintendent shall distribute this policy to all students and Board employees and shall incorporate it into building, staff, and student handbooks. It shall also be the subject of discussion at employee staff meetings or in-service programs.

Administrators, staff members and volunteers shall not intentionally remain ignorant of hazing or potential hazing activities. O.R.C. 2307.44, 2903.31, 3313.661

Dress Code

“Training students to dress for a workplace environment.”

Norton Primary is committed to providing a safe, appropriate, educational environment for students. In general, school dress should ensure health, welfare, safety, and enhance a positive image of our students and our school. We expect students to maintain the type of appearance that is not distracting to students, teachers, or the educational process of the school. Students are required to wear appropriate, comfortable, and safe clothing that is neat, clean, and in good taste. **Articles of apparel, clothing, or accessories that present a hazard to the individual or to other people will not be permitted (Sixth Circuit Rule 206).** Dress that constitutes a threat to the student’s health and safety distracts from the educational process, damages school property or presents immoral public display shall be prohibited.

Norton Primary expects students to voluntarily comply with the dress code. Failure to comply with the dress code guidelines is considered insubordination and will be treated as such. The school administration shall enforce these guidelines equally and reserves the right to make final decisions regarding the dress code.

No single dress code can address changing style or fads. The building Administrators shall make the final determination whether the student’s dress or garments meet the school’s requirements. School uniforms (i.e. cheerleaders, football, etc.) and “special event” days approved by the Principal are exempt for certain portions of the code. Violators of the dress code will be required to change. Repeat violators will face more serious consequences.
