## Student Fees

Students will be charged school fees each year. All fees must be paid as soon as possible. Failure to pay fees, fines, etc., will result in the withholding of a student's report card, according to Ohio Revised Code 3313.642. If there is a financial hardship, please contact the principal. Online payment is available through your [Pay Schools Central account](#). Payment may also be made by check (made out to Norton City Schools), sent in a clearly marked envelope, with the student's name.

## Restroom Expectations

To provide clean and safe restrooms for all students, we ask students to follow these expectations:

4. Use toilets, urinals, and sinks correctly.

5. Give privacy to others.
6. Use the restroom in a timely manner.

Qualifying families should complete the application as soon as possible. **A new application must be filled out each school year.**

## Playground Expectations

Students need to be prepared to spend 20 minutes on the playground each day. Severe weather conditions may prohibit outdoor recess and the students will remain indoors. Playground aides monitor the students' safety and the students are instructed as to proper behavior and procedures. Students must stay on the designated playground area and may not leave without permission from a playground aide. In an effort to provide a safe place to play for all students and to avoid injuries, these playground expectations have been established:

2. All playground equipment must be used properly and in a safe manner.
3. Keep hands, feet, and objects to yourself.
4. Proper language is expected at all times.

## Car Rider Transportation

For the safety of students, staff, and those in the vicinity of NMS, please adhere to the following car rider procedures.

### Morning Drop-Off

- All car traffic must enter the campus from Cleveland-Massillon Road (near the Administration Office/Transportation Department) or at the former Cornerstone location [Option 1] or by the Primary School [Option 2].
- [Option 1] Traffic should proceed to the **right of the guard rail** that runs along the main driveway to NMS and follow the fence line along the softball field.
  - Prior to 7:05 a.m. and after 7:30 a.m., cars may travel around the flagpole and drop off students at the front of the building.
  - From **7:05 until 7:30 a.m.**, cars must loop back towards the guard rail and **drop off students at the crosswalk at the end of the guard rail (yellow line on map below)**. Staff members will be present to assist students at the Student Drop Off Sign.
  - Traffic should then follow the guard rail, turn right, and exit campus towards Cleveland-Massillon Road.
- [Option 2] Car riders may be dropped off in the Primary School parking lot and walk directly up the stairs to NMS (**orange line** on map below).
- **NOTE:** While on campus, school buses have the right of way - please **YIELD to BUSES**. Please do not block or park in front of any school buses so they can remain on schedule.

### Afternoon Pick-Up

- All car traffic should enter the campus from Greenwich Road (near Norton Primary School) or Cleveland-Massillon Road (near the Administration Office/Transportation Department).
- Traffic should proceed to the **right of the guard rail** that runs along the main driveway to NMS.

- Traffic should then exit campus to Greenwich Road.
- **NOTE:** While on campus, school buses have the right of way - please **YIELD to BUSES**. Please do not block or park in front of any school buses so they can remain on schedule.

## Grades and Reporting

### Grades

There are two semesters and four grading quarters (two per semester) during the school year. Report cards for students are compiled and distributed at the end of each grading quarter. Parents are encouraged to access student grades and progress through Progress Book (<https://pa.neonet.org/district>). Grades on student work are determined by the individual teacher as outlined by district guidelines for grading and reporting. District guidelines for grade and reporting can be viewed on our district website at <http://www.nortonschools.org/GradingReporting.aspx>.

### Homework

Often it will be necessary to complete assignments at home. Homework needs to be completed and returned as assigned by the teacher. Homework is an integral part of the learning process. It not only provides an opportunity for students to practice skills learned at school, but also it helps prepare students for success on assessments (tests, quizzes, projects, etc.). Students are expected to record homework assignments in their student planners. Parents are encouraged to ask for and examine the planner. Monitoring your child's homework via Progress Book is a great way to keep your child on track.

# School Safety

## Safety Drills

In accordance with state law, the school will conduct various safety drills throughout the school year. These drills include but are not limited to fire, tornado, lockdown, rapid dismissal, etc. Specific instructions on how to proceed during a drill will be provided to the students by their teachers.

## School Closing

In the event of a school closing or delay, accurate information will be made available to parents and staff members through the School Messenger phone calling system (to the phone number(s) provided at the beginning of the school year), the district website, and social media, and the following television and radio stations: WKYC TV 3, WEWS TV 5, FOX TV 8, WUAB TV 19. These stations are notified as soon as the decision is made.

# Personal Electronic Devices and Social Media

## Personal Electronic Devices

Unless given permission to use personal electronic devices, all devices must remain in the students' lockers during the school day. Students will be permitted to use electronic devices only under the direction of the teaching staff and administration. The district's Acceptable Use Policy will govern all devices while in use on school property. Students are solely responsible for devices that are brought onto school property. The school/district will not be responsible for lost, stolen, or broken items. Students that have electronic devices confiscated forfeit their right to privacy. Code of conduct violations involving electronic devices may be searched for inappropriate photographs, text messages, etc. Any inappropriate information collected from an electronic device may result in further consequences. No administrative time will be spent on locating lost or stolen devices that were not properly stored in students' lockers.

## Social Media

Social networking sites are an effective method to communicate and exchange information. There have been times that school personnel and/or law enforcement agencies are made aware of derogatory, vulgar, threatening or profane comments posted on students' social media accounts. School personnel and/or law enforcement agencies then determine if further action is needed. **Social networking sites (Facebook, Twitter, Instagram, Vine, SnapChat, TikTok, YouTube, etc.) do require students to be 13 years old in order to have an account.** If your child has an account, we suggest you monitor the postings and pages regularly. It is also suggested that you have log-in and password information for your child's accounts. At this developmental age, social media and cell phones are frequently misused. Please model for your children appropriate and positive uses of social media and cell phones.

# School Attendance

## Attendance

Regular school attendance is required by law for any minor child under the age of eighteen. Good attendance is encouraged, as it is closely related to academic achievement and a positive attitude towards school. Communication between the home and school is essential to ensure the proper exchange of information regarding academic attendance and progress of students.

- It is the student's responsibility to attend class.
- It is the parent's responsibility to send their student to school and report the student's absence from school.
- It is the school's responsibility to provide quality education and promote punctuality and good attendance habits.

As mandated by House Bill 410, student absences are recorded in hours. Therefore, the following absence definitions are significant regarding student attendance.

- **Excused Absence or Tardy**—ORC 3321.04 indicates the following are considered excused absences. (Note: Students who sign in between 7:35 a.m. and 8:00 a.m. are considered tardy.)
  - Personal illness
  - Illness in the family
  - Quarantine of the home
  - Vacation\*
  - Death of a relative (limited to 3 school days)
  - Observance of a religious holiday
  - Professional appointment with written verification from a physician, dentist, or court official. (There is a two-hour maximum for excused appointments.)
  - School-sponsored or sanctioned activities approved by the school administration
  - Emergency circumstances which in the judgment of the school or district administration constitute a good and sufficient cause for absence from school
  - Other situations as determined by the school administration
- **Unexcused Absence or Tardy**—ORC 3321.04 indicates the following list are examples of absences considered to be unexcused. (Note: Students who sign in between 7:35 a.m. and 8:00 a.m. are considered tardy.)
  - Oversleeping
  - Car trouble, traffic conditions, etc.
  - Missing the bus
  - The parent does not contact the school within one school day of student absence
  - Other situations as determined by the school administration
- **Excessively Absent**—ORC 3321.191(C)(1) defines a student as excessively absent when a student is absent with or without a legitimate excuse from school under one of the following two scenarios:
  - Absent thirty-eight (38) hours in one school month
  - Absent sixty-five (65) hours in a school year
  - Once a student reaches an Excessively Absent threshold, written notification is mailed to the parent/guardian. **All absences, regardless of the reason, are considered unexcused unless written documentation is provided by a medical provider or court professional.**
- **Habitually Truant**—ORC 2151.011(B)(18) defines a student as habitually truant when a student is absent without legitimate excuse from school under one of the following three scenarios:
  - Absent thirty or more (30+) consecutive hours
  - Absent forty-two or more (42+) hours in one school month
  - Absent seventy-two or more (72+) hours in one school year

## Reporting Absences

- **Attendance Hotline**—All absences must be reported by calling the Attendance Hotline 330-706-2760 prior to 9:15 a.m. To be in compliance with Senate Bill 321, the “Missing Child Law,” the school will contact the parents/guardians of children who are marked as an unexcused absence from school. It is our intent to ensure the safety of the child through such contact.
- **Late Arrivals**—Students arriving after 7:45 a.m. must report to the office with the parent/guardian to sign in.
- **Early Dismissal**—A written note signed by the parent/guardian is required if the child is being dismissed during the school day. Parents/guardians will report to the office and **provide proper identification** to sign out the student. Students will only be released through the office.
- **Medical/Dental Absences**—Parents/guardians are urged to make medical/dental appointments for students outside of school hours. If an appointment is made during the day, written verification from the physician or dentist must be provided to the school.
- **Vacations**—The school does not encourage the practice of taking students out of school for family vacations; however, the school recognizes that certain circumstances make this necessary. Vacation requests during the school year must be approved by the building principal. Parents must present the

request in the form of a letter or email noting dates of absence and return date to school. All requests must be made five (5) school days prior to the anticipated absence.

## Student Health & School Health Services

### Clinic

Medical personnel (Health Aide, CMA, LPN, or RN) are available throughout the school day. Medical personnel can provide basic first aid, will administer medications, and will complete/oversee vision and hearing screenings. The district nurse will supervise all medical personnel.

### Illness

If a child is ill, please keep the child at home. Should a condition persist, consult your physician. Children with a fever of 100° or higher, have vomited or had diarrhea within 24 hours, have an undiagnosed rash, have an eye infection, have active head lice or nits a quarter inch from the scalp, or have been in the hospital/ER should remain home until the symptoms have cleared for 24 hours without medication or are released by the attending physician. If a child becomes ill or injured at school, the school nurse will contact the parent/guardian. If the need arises, parents will be contacted according to the Emergency Medical Authorization Form on file and asked to pick up their child.

### Medications

For students who require medication to be dispensed at school, the following policy is in effect.

- Medication shall not be carried, stored, or self-administered by the student.
- Both Board of Education Policy and State law require a signed *Medication Administration Record Form* on file before any medication can be disbursed at school. Both parent and prescribing physician signatures are required for prescription and/or over-the-counter medications.
- All medications, prescriptions, or OTC, must be in their original containers with original labeling and must be transported to/from the school clinic by the parents/guardians of the student.
- Students shall not carry inhalers, epi-pens, or diabetic supplies unless the student has an *Asthma, Allergic Reaction, Seizure, or Diabetic Action Plan Form* completed by the prescribing physician on file with the school, for the current school year.
- All forms listed above are available in the clinic or online at [www.nortonschools.org](http://www.nortonschools.org), under PARENTS, then FORMS.
- Students possessing medication not registered will be subject to disciplinary actions appropriate for drug and alcohol violations. No student is allowed to provide or sell any type of over-the-counter medication to another student. Violation of this rule will be considered a violation of the Drug Prevention Policy and of the Student Code of Conduct.

### Screenings

This school year, vision and hearing screenings will be completed for students in grades 5 and 7. These are state-mandated screenings. Vision or hearing screenings will be completed for new students and may also be done as a result of school staff or parent/guardian referral in any grade. Any parent/guardian who wishes to exempt their child from the screenings must contact the district nurse by calling 330-825-7300, ext. 532105.

### Immunizations

The Ohio Revised Code (3313.67) requires that the following immunizations be obtained for school enrollment. Students who do not have the required immunizations will be excluded from school per Ohio State Law until such record is provided. You must provide an immunization record verifying the month/date/year for each of the following:

- 5 doses of Diphtheria, Tetanus, Pertussis (DPT)—Dose 5 required if 4<sup>th</sup> dose given prior to 4<sup>th</sup> birthday

The Immunization Exemption Form is available online at [www.nortonschools.org](http://www.nortonschools.org), under PARENTS, then FORMS, and must be signed by the parent/guardian.

## Use of School Property

### Lockers and Desks

Students are responsible for the care of their assigned locker and desk. Lockers and desks are property of the Norton Board of Education. Students will not place stickers, writing, or etchings either inside or outside of lockers/desks. Spirit signs, posters, etc., must have prior approval from the school administration before being posted on lockers. The Norton Board of Education or its designees (school administrators) reserve the right to search the lockers, desks, person, and personal belongings of a student on school grounds or at any school activity when it is reasonably necessary for the maintenance of order, discipline, and safety.

### Technology

Students use technology tools to complete research, practice skills and create projects. The use of technology is governed by the Board-approved Acceptable Use Policy and the One to One Student Agreement.
