

Panther Parent Athletic Booster Club

Norton’s Panther Parent Athletic Booster Club (P.P.A.B.C.) is continually amazed by the willingness of our community to support our athletic programs, offset the cost of equipment, and improve our facilities. PPABC funding for sports teams in grades 7-12 is raised through membership dues, donations, and other fund raising activities.

Some of the improvements and equipment your support has provided are:

- Yearly \$5,000 donation towards the turf fund
- Yearly \$5,000 donation towards the Remembrance Run
- Conference banners & titles in our gym
- \$3,000 annually towards scholarships for our athletes
- Assisted with fighting panther statue at our stadium
- HUDL Software (football, girls soccer & volleyball)
- Krossover software for girls & boys basketball
- Stadium/Travel bags for boys soccer & football teams
- New Volleyball Poles and net
- Wrestling/Basketball/Volleyball scorer’s table in our gym
- Weights for NMS weight room

With your help, the Norton PPABC will continue to make improvements and foster an environment of teamwork for the student athletes of Norton City Schools. As always your support is appreciated!!

Membership cost is \$25.00 per person for the 2020-2021 school year
