

## Parking at the New Norton High School Stadium

We welcome your visit to the new Norton High School stadium! As we open our new stadium, construction of our high school continues. Therefore, please be aware of your parking options for events at the new stadium. **For most athletic events, using the Grace Church parking lot should be sufficient.** Grace Church is located at 3970 South Cleveland-Massillon Road in Norton, and we appreciate their partnership during this exciting time.

However, parking for home football games will require additional options. **All parking options for home football games and the Art in Motion Band Competition (time frames for Art in Motion will be change from those listed here) are listed below:**

1. **Grace Church and Summit County Library parking lots.** The Norton Branch of the Summit County Public Library is located directly north of Grace Church, and the same entry will be used to access both parking areas.
2. **The Digestive Wellness Center** is located directly across the street from Grace Church and offers parking for approximately 90 vehicles. Norton Police will direct traffic during these events and offer safe pedestrian passage across Cleveland Massillon Road to the new stadium.
3. **Norton High School Shuttle.** A free shuttle service will be available for fans who park at Norton High School. The pick-up/drop-off point will be at the flag pole in front of Norton High School. **Shuttle services will begin at 5:15PM and continue throughout the evening.** Fans will be transported on busses and dropped off at the new front entrance to the stadium, where game tickets can be purchased. After the game ends, fans using the shuttle will be picked up at the front gate and returned promptly to the Norton High School parking lot. Again, shuttle service will run continuously throughout the evening.
