

NONDISCRIMINATION

The Board's policy of nondiscrimination extends to students, staff, job applicants, the general public and individuals with whom it does business and applies to race, color, national origin, ancestry, citizenship status, religion, sex, economic status, age, disability or military status.

The Board does not discriminate on the basis of legally acquired genetic information.

The Board does not permit discriminatory practices and views harassment as a form of discrimination. Harassment is defined as intimidation by threats of or actual physical violence; the creation, by whatever means including the use of electronic communications devices, of a climate of hostility or intimidation; or the use of language, conduct or symbols in such a manner as to be commonly understood to convey hatred, contempt or prejudice or to have the effect of insulting or stigmatizing an individual.

Employees or students who engage in discrimination of another employee or student shall be subject to disciplinary action.

Permission, consent or assumption of risk by an individual subjected to discrimination does not lessen the prohibition contained in this policy.

No one shall retaliate against an employee or student because he/she files a grievance; assists or participates in an investigation, proceeding or hearing regarding the charge of discrimination of an individual; or because he/she has opposed language or conduct that violates this policy.

The Board designates the following individual to serve as the District's compliance officer/civil rights coordinator:

The compliance officer is responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address any inquiries or complaints regarding discrimination/retaliation or denial of equal access in a prompt and equitable manner.

Reports and Complaints of Unlawful Discrimination/Harassment

All persons associated with the District, including, but not limited to, the Board, administration, staff, students and third parties are encouraged to promptly report incidents of unlawful discrimination/harassment.

NOTE: This category is for a general policy covering all types of nondiscrimination and harassment relating to students, staff and others. State and Federal law apply. Advice from your attorney would be helpful when drafting policies in this area.

If a policy relates to staff only, to students only, or a particular form of nondiscrimination, it is better filed elsewhere. Appropriate codes for such statements are indicated by the cross-references.

Regulations pertaining to all forms of nondiscrimination or a procedure all persons can resort to for redress of grievances related to nondiscrimination would follow under code AC-R.

Board approval of regulations in this area is required by law in some instances.

The Genetic Information Nondiscrimination Act of 2008 prohibits employers from discrimination in the employment setting on the basis of genetic information.

On May 6, 2020, the U.S. Department of Education issued the long-awaited final Title IX regulations, which go into effect August 14, 2020. The Title IX regulations specifically define sexual harassment and establish detailed procedures for how school districts must respond to allegations of sexual harassment. Districts should ensure that all sexual harassment complaints are handled in accordance with the Title IX regulations that are outlined in ACAA, Sexual Harassment and ACAA-R, Sexual Harassment Grievance Process.
