I understand that I (the parent/guardian) will be required to pay a yearly insurance and monitoring charge of \$25 for each grade 4 student and \$30 for each grade 5-12 student for the assigned Chromebook. I will be fully responsible for the cost of repair/replacement of damages that are outside of the insurance coverage noted in the NCS <b>1 2 1</b> Student Handbook.	
I understand that I am responsible for taking care of the Chromebook, charging cord and protective sleeve, including proper cleaning, avoiding hot and cold temperatures, and keeping the Chromebook in the provided sleeve.	
I will not leave my Chromebook unattended unless it is locked in a secure place. My parent/guardian will be fully responsible for the cost of a replacement should my Chromebook become lost or stolen.	
I will read and follow the handbook, policies, and any future messages from the technology department or administration (instructions, changes in settings, backing up files, accounts, etc)	
I understand that my parents will supervise my use of the school-issued Chromebook at home. I will discuss and honor our family's values and expectations regarding the use of the Internet and email at home.	
I will bring the Chromebook to school every day and, to the best of my ability, have it fully charged. I understand that I am responsible for all necessary assignments and coursework at all times.	
I will use the Chromebook for educational purposes and in accordance with the NCS <b>1 2 1</b> Student Handbook and other applicable NCSD policies, including, but not limited to, the Norton Student Technology Acceptable Use Policy. I will use academically appropriate applications.	
I will not attempt to alter the profiles or settings, access setup, or use any software, utilities, applications, or other means to change the settings, or access Internet sites or content blocked by filters.	
I will only use the Chromebook camera capabilities for academic purposes, with the consent of the participants, their knowledge of the media's intended use, and staff approval.	
I will report any problems with my Chromebook to a teacher or the Main Office in a timely manner. The Norton technology department is the sole agent for all tech support, repairs, or warranty claims for Norton Chromebooks. Other repairs (store or technology service) are not permitted.	
I understand that the District owns the Chromebook and has the right to collect/inspect the Chromebook at any time. I have no expectation of privacy on the Chromebook and/or content contained therein.	
While off-campus, I will abide by Norton's policies and agreement with respect to the use of the Chromebook, including but not limited to the NCS <b>1 2 1</b> Student Handbook, this Chromebook Usage Agreement, and the Student Technology Acceptable Use Policy. I understand that my activity is monitored.	
I will turn in the Chromebook, charging cord and protective sleeve on or before the designated day or prior to exiting the district.	

I have read and shared with my student the information in the NCS **1 2 1** Student Handbook and the Student Technology Acceptable Use Policy and agree to the stated conditions.
