 Norton, Ohio 44203

MKC Project No.: 13-ED1-077

Mr. Ken Caldwell,

MKC has reviewed the bid forms submitted on May 16, 2013 for the Norton City School District Crack Fill & Sealcoating Asphalt Pavement. Based on our conversations with the contractors regarding their bids and taking into consideration the "lowest responsive and responsible bid", we believe it is appropriate to award the following contracts:

**CONTRACT NO. 1 – SITE IMPROVEMENT WORK**

Ohio Paving & Construction Co., Inc.  
 Willoughby, Ohio

BASE BID	\$39,735.00
----------	-------------

We also understand it is your intention to award the following alternates along with this contract:

ALTERNATE NO. 1 – HIGH SCHOOL EXIT DRIVE TO CROYDON RD. ASPHALT PAVEMENT REPAIR	\$4,125.00
--	------------

ALTERNATE NO. 4 – MIDDLE SCHOOL ASPHALT PAVEMENT REPAIR	\$17,131.00
--	-------------

ALTERNATE NO. 5 – GRILL ELEMENTARY ASPHALT PAVEMENT REPAIR	\$8,650.00
---	------------

Please confirm with our office your intent to enter into Contract with the above listed Contractors.

We look forward to working with you on this project.

Respectfully Submitted,

MKC Associates, Inc.
