HOW TO APPLY:

On Tuesday, March 1, at 6AM, Norton City Schools will begin our open enrollment application process for Fall 2022. Starting that day, you may access our application link via www.nortonschools.org. Click on **QUICK LINKS** at the top right corner of page, then click on **Enrollment/Forms/Supply Lists**. At the top of that page you will find the 22/23 Open Enrollment Application link. Please complete a separate application for each child for which you are applying. Acceptance is first-come, first-serve and is based on class size with special consideration given to families who already have children enrolled in the district.

If you are applying for more than one child, your first submitted application will hold place on list for entire family **if applications are submitted same day**. Once you complete filling out all entry points, your application will be time and date stamped.

*****This process is smart phone and computer friendly. If you do not have a smart phone or computer access, please contact us.*****

If your child has an IEP/ETR or 504, you will be asked to provide that documentation for review at a later date.

NOTIFICATION PROCESS AND ENROLLMENT:

We will make every effort to notify applicant's parents/guardians by June 15 of acceptance status with the exception of Special Education and Kindergarten applicants. *(Please keep in mind that special education applications will take longer to review. Norton resident Kindergarten enrollment numbers must be finalized before we will be able to begin accepting K OE applicants.)*

Once notified of acceptance you will set up a parent account in Final Forms via link on our website in order to complete the official student enrollment process. All required registration documents will be uploaded into Final Forms at this time.

Please refrain from enrolling your child(ren) in Final Forms until AFTER you are notified of acceptance.
