Welcome to Norton City Schools Transportation

Our district provides transportation to all students living within the school district boundaries. The intent and purpose of the Board of Education policies and procedures is to provide safe, reliable and efficient transportation service to all eligible students. The overall rules and laws for the transportation of students are covered by the Ohio Pupil Transportation Operation and Safety Rules are adopted by the Ohio Department of Education.

This handbook contains information pertaining to the service level and guidelines regarding student transportation. Please keep this handbook available for future reference during the school year. If you have any questions, please contact the transportation department at 330-825-2226.
