

STUDENT ABSENCES AND EXCUSES

Regular attendance by all students is very important. In many cases, irregular attendance is the major reason for poor schoolwork; therefore, all students are urged to make appointments, do personal errands, etc., outside of school hours.

Reasons for which students may be excused include, but are not limited to:

1. personal illness of the student;
2. illness in the student's family necessitating the presence of the child;
3. needed at home to perform necessary work directly and exclusively for parents or legal guardians for a limited period of time when approved by the Superintendent (applies to students over 14 years of age only);
4. death in the family (applies to absences of up to 18 school hours unless a reasonable cause may be shown for a longer absence);
5. quarantine for contagious disease;
6. observance of religious holidays consistent with a student's truly held religious belief;
7. traveling out of state to attend a Board-approved enrichment activity or extracurricular activity (applies to absences of up to 24 school hours);
8. college visitation;
9. absences due to a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status;
10. absences due to a student being homeless or
11. as determined by the Superintendent.

Each student who is absent must immediately, upon return to school, make arrangements with his/her teacher(s) to make up work missed. Students who are absent from school for reasons not permitted by State law may, or may not, be permitted to make up work. Each case is considered on its merits by the principal and the respective teacher(s). **Students who are absent due to an in-school or out-of-school suspension are permitted to make up missed classroom assignments.** Students are requested to bring a note to school after each absence explaining the reason for the absence or tardiness.

The Board does not believe that students should be excused from school for vacations or other nonemergency trips. The responsibility for such absences resides with the parent(s), and they must not expect any work missed by their child to be retaught by the teacher. If the school is notified in advance of such a trip, reasonable efforts are made to prepare a general list of assignments for the student to do while he/she is absent.

The Board authorizes the Superintendent to establish a hearing and notification procedure for the purpose of denying a student's driving privileges if that student of compulsory school age has been absent without legitimate excuse for more than 60 consecutive hours during a school month or a total of at least 90 hours during a school year.

NOTE: In 2009, the Ohio General Assembly enacted House Bill (HB) 1, which directed school districts to count – up to 24 school hours as excused absences – time that a student is absent from school for the sole purpose of traveling out of state to a board-approved enrichment activity or an extracurricular activity. The student is required to make up all missed classroom assignments.

In addition, if the student will be out of the state for 24 or more consecutive school hours for a board-approved enrichment activity or extracurricular activity, a classroom teacher employed by the board must accompany the student to provide instructional assistance.
